

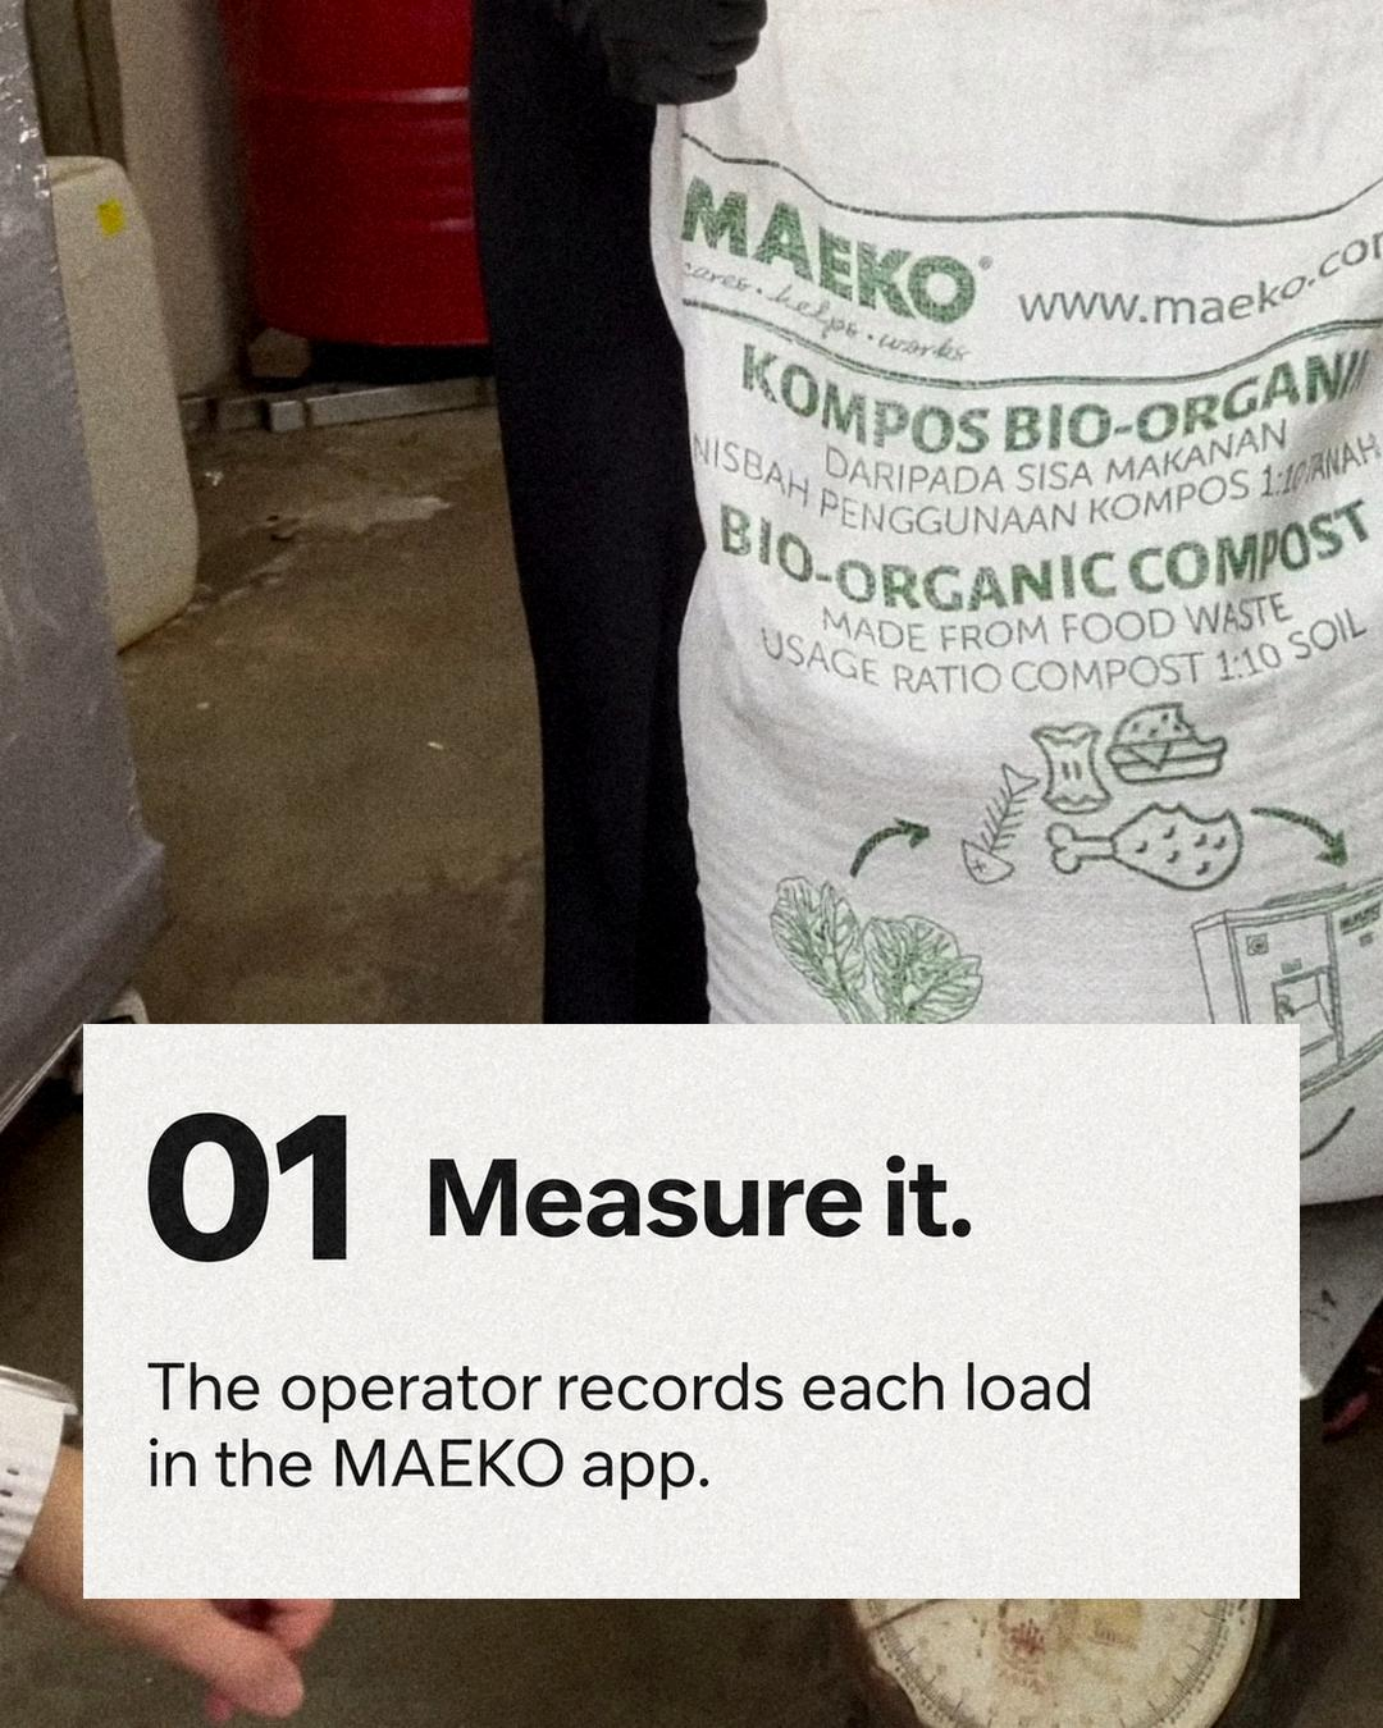
FOR SUSTAINABILITY AND ESG TEAMS

Food waste, in your ESG report. Here is how.

Three steps with MAEKO. Swipe.

MAEKO®
cares • helps • works



01 Measure it.

The operator records each load in the MAEKO app.

02 Report it.

The figures go to an ESG dashboard, and MAEKO can prepare an ESG report from them.

03 Disclose it.

A food-waste figure from your own site,
for your sustainability report.

Planning your 2027 programme?

A machine on site.

The data for your report.

A certified B Corporation supplier.

Comment "MAEKO" to start.
